About the Presenter: Adrian Cantu Jr.

Adrian is an Environmental Health and Safety Manager with over 20 years of experience in the field. He holds a Degree in Business and HR Management and is a Certified Occupational Safety Manager and Authorized OSHA Outreach Trainer. Adrian has a strong track record of improving safety culture and lowering injury rates in various manufacturing and construction companies across the United States. His military background and passion for safety have enabled him to train numerous individuals, including safety personnel and managers, to earn OSHA 10-Hour and 30-Hour certifications.
